Overview

This is a recent list of projects that I provided creative direction and strategy on. As it applies to the web design projects, I provided additional services such as project planning, wire framing and light development.

OK HUMANE 2017 Addy Award Winner for Design

ADOPT A DOG & MAKE A BEST FRIEND FOREVER

Meet our dogs available for adoption in OKC by scrolling through their pictures below. The bond between a dog and its human is unique and special. When you make this loyal friend, two hearts connect and miracles occur. We see this every day at our adoption center.

Click on each dog's picture to view their full profile and find out if they're a match for your family!

Dexter
Retriever, Labrador
3 months
Male/Neutered

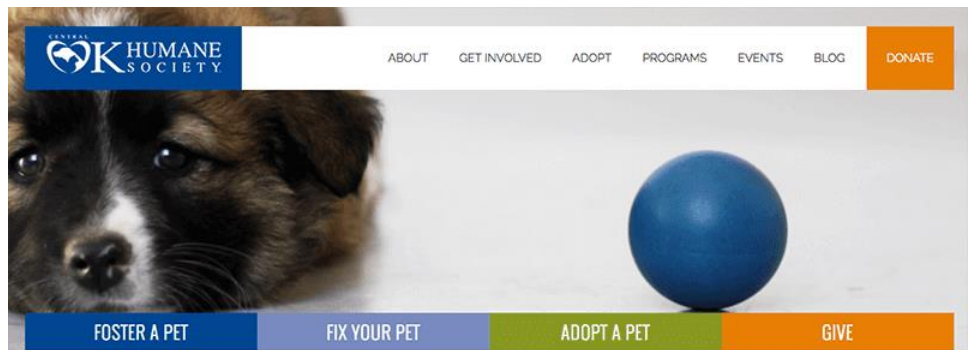

Thor
Pomeranian
5 years 1 month
Male/Neutered

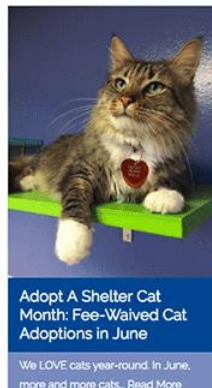

Carmen
Chihuahua, Long Coat
3 years 2 months
Female/Spayed

Troy [MD]
Boxer
2 years 8 months
Male/Neutered

OKLAHOMA CITY NATIONAL
MEMORIAL
2016 Addy Award Winner for Design

The screenshot shows the website for the Oklahoma City National Memorial & Museum. At the top is a dark navigation bar with a tree logo, menu items (VISIT, EVENTS, LEARN, GIVE, ABOUT), social media icons, and contact information (620 N Harvey Ave., Oklahoma City, OK and 405.235.3313). The main hero section features a large image of the museum interior with the text "OKLAHOMA CITY NATIONAL MEMORIAL MUSEUM" and the tagline "COME TO REMEMBER. LEAVE WITH RESOLVE." Below this is a blue banner with the text "WELCOME TO THE OKLAHOMA CITY NATIONAL MEMORIAL & MUSEUM" and a quote: "We come here to remember those who were killed, those who survived and those changed forever. May all who leave here know the impact of violence. May this memorial offer comfort, strength, peace, hope and serenity." A "LEARN MORE" button is centered below the quote. A second navigation bar is identical to the first. Below it is a row of four icons: "VISIT US" (location pin), "SIGN UP" (envelope), "DONATE" (heart with dollar sign), and "EDUCATE" (hand). The next section is a large image of the memorial's reflecting pool with a white callout box titled "WE REMEMBER KIMBERLY KAY CLARK" containing a short biography and a "CONTINUE READING..." button. Below this is a blue "LEARN" section with the text "Learn more about the events of April 19, 1995 and the remarkable response that captivated a nation." This is followed by a row of six interactive content tiles: "MEMORIAL MARATHON", "THOSE WHO WERE KILLED", "UNCOVER DISCOVER STEM LAB", "LESSONS LEARNED", "OKLAHOMA STANDARD", and "PLACES OF REMEMBRANCE". The final section is "DOWNLOAD THE MOBILE APP", which includes a short description and icons for the App Store and Google Play.

Available on iPhone and Android devices, the Memorial Mobile App includes general info, tours, interactive content and much more. Download this essential and FREE app today on your mobile device by searching OKCNM in the App Store or Google Play.

Download OR Download

The Oklahoma City National Memorial & Museum translates the Lessons Learned from the Oklahoma City bombing through an educational experience. We engage audiences with world-class interactives, videos, exhibits and programs that humanize the story by involving those who were impacted and keeping the story relevant. We inform and educate through a range of media, word of mouth channels and leveraging technology in both the promotion and delivery of the experience. By using our Archives for research, visiting the Museum and Memorial, experiencing our programs and hearing from our "Experts in the Field," visitors are able to apply these Lessons Learned firsthand.

The events of April 19, 1995, dramatically changed Oklahoma City and all of us who remember that spring morning. But the stories of the 168 people we lost live in our hearts as well as in the Oklahoma City National Memorial & Museum. Learn more about them below.

TREVO LLC
Traditional marketing and social
media campaign

Wellness you can feel in your bones.

Give your body the mineral nutrition
it needs to live long and strong.

The ideal time to begin nutrient supplementation is before health and aging issues start to develop. Introducing Trévo, a powerful, results-driven formulation that actually fills the body's nutritional gaps the way nature intended.

One of Trévo's remarkable ingredients is a concentration of Marine-Grade Coral Calcium. Coral Calcium is not only a valuable antioxidant, but also supports the maintenance of your healthy bones, joints and muscle tissue.

The powerful wealth of vitamins and minerals in Trévo make it the most nutrient-dense product on the market. You could easily spend four times the money each month trying to get the same quality and quantity of ingredients that you get in one bottle of Trévo.

Tested and certified by Brunswick Laboratories, scoring over 373,000 per bottle!

Certified Drug Free: Trévo has been given the certified drug free seal by ISCCO, the leader in supplement and certification testing.

Start your healthier lifestyle today!

 TRÉVO™
